

Important Points

- These notes / flashcards **WILL** contain some mistakes.
 - Version 2 will contain less mistakes and more detail than Version 1.
- They were never made with the intention of sharing them so some things may be written in a way that it only makes sense to me. Please feel free to edit them to fit your needs.
- You should do lots of exam practice to test yourself. Just reading notes and going over flashcards will only take you so far.
- They are made for the exam boards mentioned in the folder name.
- Remember that, by using these notes / flashcards, I cannot and will not accept any blame for questions you get wrong because of these notes / flashcards.
