

# Important Points

- These **WILL** contain mistakes.
- They were never made with the intention of sharing them. They are only to serve as examples of how I wrote my 'Advice and Extra Content' file.
- You should do lots of exam practice to test yourself. Just reading these files will only take you so far.
- They are made for the exam boards mentioned in the folder name.
- Remember that, by using these files, I cannot and will not accept any blame for questions you get wrong because of these files.
